

Product & Services Directory

The Association of Midwest Museums offers a new and updated online Product & Services Directory. All AMM corporate members are eligible to receive a complimentary listing in the Directory. Corporate Sponsors will receive an additional benefit of a direct link to their company's website. Non-members may be listed for an annual fee of \$50.

Listings will include company name, address, contact person, e-mail, phone & fax numbers, website, and a brief company description. The company description should be 50 words or less.
